JACK JOHNSON'S WHITE
WIFE TRIES SUICIDE.

Chicago, Ill., Sept. 11.—The white
wife of Jack Johnson, world's champion
heavyweight pugilist, attempted
suicide tonight by shooting herself
in the head, and may die. The
woman had been in such a condition
for several months that, on the advice
of a doctor, Johnson had employed
two women attendants to
watch her. He was to have taken
her tonight to Las Vegas, N. M., for
her health and was away getting tickets
when she made the attempt.

The attendants were wit the wo-

man tonight when she opened a cabinet
drawer, took out a revolver, they
said, and pointed it at her head. They
struggled with her, they said, but she
succeeded in discharging the weapon.
At the hospital tonight it was
said that the bullet passed through
the woman's head.

The woman, formerly Etta Perry
of Brooklyn, is 31 years old, and was
married to Johnson three years ago
in Pittsburgh.

BANK AT CHOTEAU

ROBBED OF \$900.

Muskogee, Okla., Sept. 11.—Yeggs
broke into the Choteau Bank and
Trust Company at Choteau, near
here, at 2 o'clock this morning, blew
the safe and made away with \$900
in silver. The door of the bank was
battered down by the robbers.

Town people heard four reports
when the safe was blown and when
they went to ascertain the cause saw
three men drive away in a buggy.
Before starting the job the men cut the
telephone wires. Bloodhounds
were sent from here to Choteau to
trace the robbers.

A large amount of currency in a
time vault was overruled.

ANOTHER VETERAN PRAISES ADA'S HOSPITALITY

Ardmore, Okla., Sept. 8, 1912.

Editor:
We have just returned home from
Ada, where eight of us from this
home attended the reunion, namely,
W. L. Simmons, Orr's S. C. rifle regi-
ment; John O. Casler, 33rd Va., in-
fantry; Cas. Staley, Lunden's Ala.,
battery; A. N. Fowler, 1st Ark. in-
fantry; Cas. Saley, Lunden's Ala.,
J. M. Morrow, 6th Ark., infantry; W.
Conrad, 24th N. C. infantry; John
Paul, 1st Chickasaw regiment.

We had heard some days before
we started that the walking was not
all taken up between here and Ada, and
consequently three of them, Fowler,
Conrad and Morrow, concluded
to play the boy scouts and hike it
through. They started Sunday morning
the first, got along very well until
they arrived at Mill Creek, when
they learned to their sorrow that the
walking had been all taken up, except
a small piece, and Morrow seized
on that and walked through to Ada, the
other two took the train. They arrived safely in Ada, consider-
ably dilapidated and disfigured, but
still in the ring, and ready to take
in the reunion, which they did to
their hearts' content. The good people
of Ada cared for them until the
reunion opened. Pen cannot describe
the magnificent treatment we received
while there. Nice dining room and
plenty to eat three square meals per day, interspersed between meals
with ice cold watermelons and punch
and lemonade served by the fair
daughters for a night cap. The accom-
modations for sleeping were good. All seemed to take an interest
in our welfare, citizens of Ada,
veterans, sons, daughters of the U.
S. C., children, and even the dogs
were on their good behavior, and
never tried to bite us.

But especial mention must be
made of the daughters, they were
more devoted to us than at any re-
union I ever attended.

The town was better decorated
with flags and bunting than any
town of that size I ever saw. The
fair sponsors and maids of honor
took an especial interest in us, espe-
cially Ada's fair sponsor, Miss Ger-
trude Thompson and her maid. Mr.
Davis, commander of the sons, cer-
tainly did his part, for he was here,
there and everywhere, doing all that
could be done. It would be unjust
to single out some individual, and
not mention others, and to sum it all
up, all did their duty and we had
the time of our lives. The lady that
counted us in at the dining hall filled
her position well. Col. A. M.
Crow and his estimable wife and
twin daughters (whom I knew in
Texas, when they were infants), did
their part, and we are pleased to
know that he was elected brigadier
general of the Chickasaw brigade.

I met many of the daughters of
Stonewall Jackson Chapter No. 40 of
McAlester. I am partial to that
chapter from the fact that it was the
first chapter organized in the Indian
Territory, or old Oklahoma, long before
we were a state, and because
they named it after my old general,
who organized my old brigade (the
Stonewall brigade) at Harper's Ferry
Virginia, in May, 1861, and I followed
him from that time until May 10th
when he crossed over the river and
was resting under the shade of the
trees.

Ada and the reunion will be cher-
ished in our memory until we make
the same trip.

JOHN O. CASLER.

My pipe and easy chair is all I ask.
A little food to eat, and a place to
lay my head

task;

Man Killed by Train.

Ardmore, Okla., Sept. 11.—A man
about 30 years old, said to be Jack
Hill of Coalgate, was killed at the
Union station here tonight by a west-
bound Rock Island train. Hill was
accompanied by Ben Wolf, who said
they had come from Coalgate by
way of Purcell to Ardmore en route
to Overbrook to pick cotton. Hill
attempted to cross the track in front
of the passenger train and was run
over. He is said to have a wife and
two children at Coalgate.

The excuse of the state board of education that the histories adopted were on the recommendation of chapter of the U. D. C. of St. Louis, Louisville or some other place, is a mighty poor one. It bears out the contention of Gov. Cruse that the board was hasty throughout and ill advised in some of its selections. A half hour's examination of the books would have certainly shown the members a few facts about the books.

The department of highways is sending out the opinion of the attorney general to all auto owners who have failed to pay the state tax of one dollar per year which goes to maintain the department. The attorney general says that Col. Suggs must furnish names of all delinquents to justices of the peace who must render judgment as in all other state taxes. This will cost delinquent owners more than ten dollars, but Col. Suggs is withholding the names for a reasonable time before permitting the state to commence suit and is notifying all owners. —Press Bulletin.

EXHIBITS FREE

The work of making ready for a Pontotoc county exhibit at the state fair is proceeding smoothly. T. O. Cullins will be in charge and invites all Pontotoc county people to be sure to come around and see him and the exhibit while there.

Recently A. L. Kennedy wrote to the officials of the Katy road regarding the free transportation of exhibits. The following self-explanatory letter has been received from J. F. Reilly, commercial agent, from which it is easy to surmise that the railroad realizes the importance of the movement and is willing to co-operate. Says Mr. Reilly:

"Referring to your letter of August 28th, addressed to agent Ada, which has been referred to me for attention, and I am just in receipt of advice from Mr. J. W. Allen, our general freight agent, St. Louis, Mo., stating we will handle shipments of fruit, grain, vegetables, or other products of the soil from points in Oklahoma on our line to Oklahoma City free of charge when same is exhibited at the Oklahoma State Fair.

"I sincerely hope this concession will be of value to you and your exhibit will be the best at the fair."

THE OKLAHOMA STATE BANK STATEMENT.

The statement of the Oklahoma State bank is published in this issue of the News, and it shows up exceedingly well. Its deposits are still well up towards the \$100,000 mark, although just at this time there is less money in the country than at any other time of the year. It is striking proof of the popularity of this bank. An examination of the report shows that all other items are in good shape and the bank in flourishing condition.

MRS. S. C. HADAWAY DIES
OF HEART FAILURE.

Wednesday afternoon, about 4 o'clock, Mrs. Philena Hadaway, wife of S. C. Hadaway, died suddenly of heart disease at her home on West 8th and Bluff. The funeral services were held this afternoon at the family residence at 4 o'clock, Rev. A. M. Durkee conducting same, after which the remains were laid to rest at Rosedale cemetery.

Deceased was sixty years of age. She and Mr. Hadaway were married thirty-six years ago and of the union six children, four sons and two daughters, survive to mourn her loss. Deceased had for many years been a loyal and consistent member of the Methodist church. Not only her family, but also her neighbors, will mourn the loss of one they loved for many good qualities.

The News extends its sympathy to the sorrowing family.

NORMAL NEWS.

By Hu Billz.

This is the third day of the regular work and things are moving just as if there had been regular work for two or three months.

In faculty meeting Pres. Briles made this statement Tuesday: "This is the best first-day I have ever seen." It seems that all students were anxious to get to work and they have done so.

Mr. L. O. Wilson (physics and chemistry), states that the largest and best class in chemistry that East Central ever had is now being organized. It came very near being a "stag" party though, one girl only being in the class.

The organization of the band is very nearly complete. This is an organization that the school has long needed and a great deal of good can be derived therefrom.

Mr. W. W. Robinson representing the Chas. E. Merrell Book Company and Mr. Andy Hickman were visitors at the chapel hour.

Foot ball prospects continue to grow brighter each day. About forty men responded to the call for practice and Coach Cox had them punting for about two hours after which a long "wind-getting" run was taken. Signal practice will begin next week, and scrimmages shortly after between the "scrub and varsity."

The "senior" class is already beginning to assume that long-faced dignity so characteristic of that tribe of students. They strut around the halls as if they were the sole masters thereof. A few of the boys are singing that dismal never-ending chant of the lad nearing his first vote, "I Want a Girl." But even "seniors" are liable to succumb to that malady.

Notice, Eastern Star.

Attention is called to the fact that a meeting of the lodge will be held this evening at 8 o'clock. Initiatory work.

BANK FAILURE AT SAPULPA.

Oklahoma City, Okla., Sept. 11. The State Banking Board took charge of the Farmers and Merchants' bank of Sapulpa yesterday and as placed L. H. Patton and M. R. Garnett, bank examiners, in charge to check up the books. Upon completion of this work a statement showing the bank's condition will be forwarded to the department. The bank was organized in February, 1908. The last public report of its condition was under the statement of June 14, showing the following among the resources: Loans and discounts \$421,721, overdrafts \$5,916, stocks, bonds and warrants \$21,599; due from banks \$46,925 and cash \$26,977. Among the liabilities were: Undivided profits \$3,717, individual deposits \$146,752, demand certificates of deposit \$2,049, time certificates of deposit \$131,163, notes and bills redelivered \$30,000.

In the opinion of the board officials most of the deposits were of a public nature, the security of which was guaranteed by surety bonds, therefore but a small portion of the total will be payable out of the bank's resources or the guaranty fund.

GEN. W. W. GORDON

DIES AT SAVANNAH

Savannah, Ga., Sept. 11.—Gen. W. W. Gordon of this place, brigadier general commanding the Second Brigade, first division, of the Fourth Army Corps, United States Volunteers, during the Spanish-American war, and a Confederate veteran, died today at White Sulphur Springs, Va., according to a message received here today. The body will be brought here for burial.

He was born in Savannah on Oct. 1, 1834, his father being William Washington Gordon, the first presi-

dent of the Central Railroad of Georgia. Gen. Gordon served the Confederacy with great brilliancy as an officer in J. E. B. Stuart's cavalry and later in the infantry.

After the Spanish-American war he was one of three commissioners to arrange for the evacuation of Porto Rico, serving with Rear Admiral Schley, U. S. N., and Gen. John M. Brooke, U. S. A. In 1857 Gen. Gordon married Miss Eleanor Lytle Kinsie of Chicago, to first white child born in Fort Dearborn in the city of Chicago.

He is survived by a widow and three sons. In 1907 Gen. and Mrs.

Gordon celebrated the fiftieth anniversary of their marriage in Savannah, and the occasion was a brilliant social event. It was at the home of Gen. Gordon that President Taft was entertained as a guest during his two visits to Savannah.

The flags on the Savannah Cotton Exchange, of which Gen. Gordon was a former president, are at half-mast in his honor today.

For half a century he was to head of the cotton firm of W. W. Gordon & Co.

Cure for Nerves.
People cultivate nerves to a large extent and do not apply simple rules to cure them. Healthy work, particularly out of doors, is an excellent antidote to nerves. Onions are a very good tonic for nervous people. Cranberries are good for sufferers from inactive liver.

AS A WARNING TO

NEW YORK CROOKS.

The News is in receipt of a letter from a man at Roswell, New Mexico, asking for a picture of the lynching that took place here three years ago. He explained by saying that he is going to New York in a short time and wants to exhibit the picture there by way of showing those effete easterners the proper method of disposing of some of their grafters and toughs.

Prof. Harris H. Prior.

Harris H. Prior, who is filling an engagement this week at the Yale theater certainly has the large audiences mystified. He is known professionally as the Monarch of Mystery and he surely is deserving of the title. His feats of magic keep the spectators wondering just what else could happen that would be more mystifying than thefeat just performed. An act of this character is always most fascinating, all the more so because there is no logical conclusion can be found by the ones below the footlights. The pyrotechnic act where the lady is suspended in mid-air is the climax and draws the same patrons to the theater time and time again. Mr. Prior has proved a big drawing card for the Yale—Lawton (Okla.) News.

HUMORS IN THE BLOOD

When the blood becomes infected with any unhealthy humor the effect is shown by some definitely marked disorder like Eczema, Acne, Tetter, Psoriasis, Salt Rheum, etc. Humors get into the blood usually because of an inactive condition of the system. Those members whose duty it is to expel all refuse matter do not properly perform their work, and an unhealthy accumulation is absorbed into the blood. Then instead of performing its natural function of nourishing the skin the circulation irritates and inflames it because of its impure condition. A thorough cleansing of the blood is the only certain cure for any skin disease; external applications can only give temporary relief. S. S. S. goes into the circulation and drives all humors from the blood, and in this way makes a permanent and complete cure in every form of skin trouble. S. S. S. supplies the blood with the nutritive qualities necessary to sustain the skin and preserve its natural texture and perfect appearance. S. S. S. cures Eczema, Acne, Tetter, Salt Rheum, and all other skin eruptions or diseases. Book on Skin Diseases and medical advice free.
